

# SERRAXYM™

## Targeted Systemic Enzyme

Serraxym™ is a combination of the systemic enzymes Serratiopeptidase and Catalase in a proprietary mineral base designed to enhance the effects of the enzyme actions.\* Serraxym's primary function is to offer targeted musculoskeletal support.\*

- ▶ Helps maintain healthy joint, tendon and cartilage functions.\*
- ▶ Supports the circulatory and immune system.\*
- ▶ Free of fillers, artificial colors, flavors, and preservatives.
- ▶ Should be taken on an empty stomach with a full glass of water for best results.

**SUGGESTED USE:** To obtain the maximum results take one (1) capsule with a glass of water on an empty stomach (2 hours before or after your last meal). May be taken every eight hours (3 times per day).
